

New provisional pool rules:

Young people (minors), aged 14 years and older, will be allowed to use the Beachwalk pool without a responsible adult (over 18 years old) present if all of the following conditions are met:

- 1) Prior written approval must be obtained from Beachwalk HOA. The HOA requires a signed consent statement (below) by a parent or guardian, acknowledging that the minor has adequate swimming ability and that they will adhere to all Beachwalk rules when using the pool. The minors must be listed by name and age. A phone number must be supplied by the parent/guardian to be able to immediately contact them, if needed.
- 2) Minors must not swim alone or use the pool area in a group including more than 4 minors.
- 3) All of the minors in the group must be family members residing in Beachwalk (parents who are property owners or long-term renters) or short-term guests staying with the Beachwalk property owner/renter.
- 4) Violations of these provisional rules, or any existing pool rules, will result in revocation of the special privilege granted to minors to use the pool without adult supervision and could result in the loss of all pool privileges for that property.
